Key information about equine:

Farrier name and contact no:	
Medicines taken (including dosage & where kept):	
Special dietary requirements:	
Equipment for equine (e.g. overreach boots for turn out):	<i>Do key people know where these are kept and do they have access to them?</i>
Normal routine notes (e.g. stabled at night)	<i>Continue over the page if required...</i>
My Equine Emergency Plan:	<i>My wishes should an emergency end of life decision for equine need to be made:</i>

Key information about equine continued:

Other questions for consideration: Is your equine insured?

Is it a condition of your insurance company that you must inform them before any emergency treatment can be given by a vet other than where immediate euthanasia is advised? For example, colic, sudden & chronic lameness. Please note insurance policies vary on this subject.

Are vet fees covered by your insurance or just public liability?

Mare & Foal Sanctuary - Equine Advice:

We are here to offer no shame advice and help with any horse or pony questions or issues you might have.

Our Equine Team has more than 30-years' experience to call upon.

We share that knowledge with the wider equine community, to help improve the health and welfare of horses and ponies wherever they might be and no matter how well cared for.

If you have any horse or pony questions, contact our friendly **Equine Team on 01626 355969**.
