

How to use our handy Body Condition Score Guide

- Divide the horse into three areas (the pelvis, the back and ribs, and the neck) and score these areas separately.
- Start with the pelvis, and give a score from 0-5 as described.
- Adjust the score by half a point if there is a difference of one point or more from the pelvis to the base of the neck.

The Mare and Foal Sanctuary is a registered charity in England and Wales (No. 1141831) and a company limited by guarantee registered in England and Wales (No. 7584914)

Body Condition Scoring

Handy Guide

0 VERY POOR

PELVIS - Very sunken rump. Angular pelvis, skin tight over quarters. Deep cavity underneath tail.

BACK and RIBS - Skin tight over ribs, ribs very visible. Backbone very prominent and sharp.

NECK - Marked ewe neck (the top line of the neck is curved inwards), narrow and slack at base.

1 POOR

PELVIS - Supple skin but rump sunken. Pelvis and croup (the top line of the hindquarters) prominent. Cavity under tail.

BACK and RIBS - Ribs easily visible. Backbone prominent, sunken skin on either side of backbone.

NECK - Ewe neck (the top line of the neck is curved inwards), slack at base.

2 MODERATE

PELVIS - Rump is flat on either side of backbone. Croup (the top line of the hindquarters) well defined, has some fat. Slight cavity under tail.

BACK and RIBS - Ribs are just visible. Backbone can be felt but is covered.

NECK - Narrow but firm.

3 GOOD

PELVIS - Rounded, covered by fat. Pelvis easily felt. No gutter along back.

BACK and RIBS - Just covered, with ribs easily felt. Backbone can be felt but is well covered.

NECK - Firm. No crest (except for stallions).

4 FAT

PELVIS - Well covered by fat, need to apply firm pressure to be able to feel. Gutter to root of tail.

BACK and RIBS - Need to apply pressure to be able to feel ribs, well covered.

NECK - Wide and firm, slight crest.

5 VERY FAT

PELVIS - Pelvis cannot be felt (buried). Skin distended, deep gutter to root of tail.

BACK and RIBS - Ribs cannot be felt (buried). Back broad and flat with deep gutter.

NECK - Very wide and firm, folds of fat, marked crest.

Equine Weight and Body Condition Score Chart
